We have registered the availability of jury members as well for the laido as the Jodo examinations. The final compositions will be communicated upon arrival of the delegations.

In accordance with the decisions taken during the EKF General Assemblies, the persons mentioned in the lists above will be taken in charge by the Swiss Kendo & laido (S.K.I.), the organiser of this event, for the number of nights mentioned in the Rules & Regulations you received in an earlier mailing, for each discipline apart.

The officials mentioned above are supposed to wear the following outfit:

- Jodo referee: Hakama & keikogi;
- laido referee: Montsuki;
- Jodo & laido jury members: Grey trousers (or skirt), blue blazer, white shirt & red necktie.

Please inform your referees of these organisatory details, especially the Rules & Regulations edited for these championships, as no further information will be sent on individual base. May we remind you to send their passport pictures to the S.K.I., as soon as possible, if ever you wouldn't have done so yet. The S.K.I. prefers electronic pictures in jpg-format, if you don't mind.

Happy to meet you soon in Magglingen, Switzerland,

Sincerely Yours,

Jean-Pierre RAICK  
EKF Technical Director.
